
*** UPDATING CabinetVision Link ***

To update your CvLink, follow these steps:

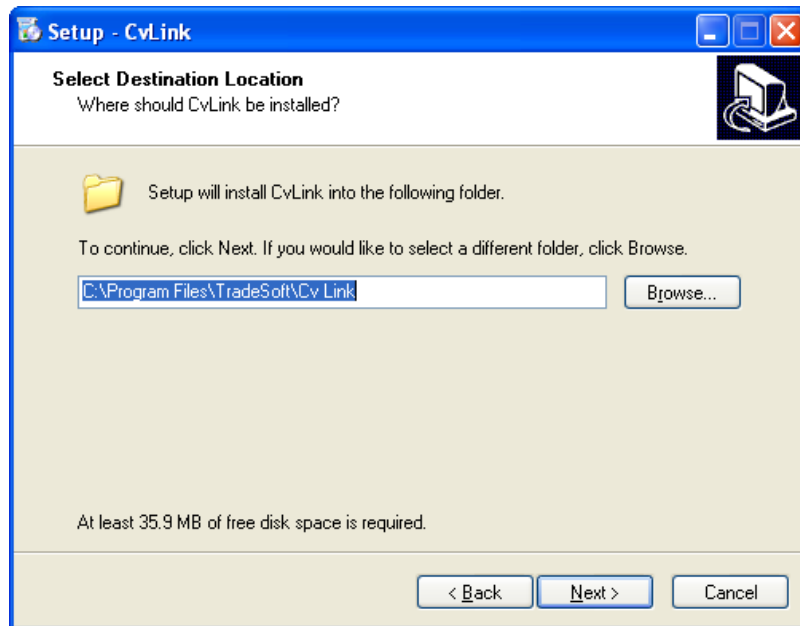

- 1) Go to our web site --> www.tradesoftinc.com
- 2) Click the Support Link at the top of the home page.
- 3) Click the “Click here to logon in” in the top right area of the page under Registered Users.
- 4) To access the Support page, use the logon --> **member** and password --> **ppak**.
- 5) On the Support page, click the “Engineering Links Downloads” link at the left of the page.
- 6) On the Engineering Links Downloads, click the CvLink link at the top of the page. This will take you to the CvLink 1.4 section.
- 7) Download the CvLink 1.4 upgrade.
- 8) On each PC that has CvLink, close the CvLink program.
- 9) Copy the CvLink 1.4 Upgrade.exe file to your CvLink PCs. Once downloaded, double click the exe file.

NOTE: If you are running Windows Vista, Windows 7 or Windows 8, it is highly recommended that you start the installation program by right-clicking on it and choosing the Run As Administrator command.

- 10) The 1.4 upgrade is password protected. Contact support@tradesoftinc.com or 770-579-1922 for password. Enter password in lower case.

- 11) As long as you kept the default install directory for CvLink, you can click the Next button. If you have installed CvLink somewhere else besides the default directory, then you'll need to click the Browse button and locate the proper directory.

- 12) Click Next to start the installation.

Make sure you update all PCs that have CV Link.
