
*** DOWNLOADING PLANSWIFT 9 PLUG-IN VERSION 1.9 ***

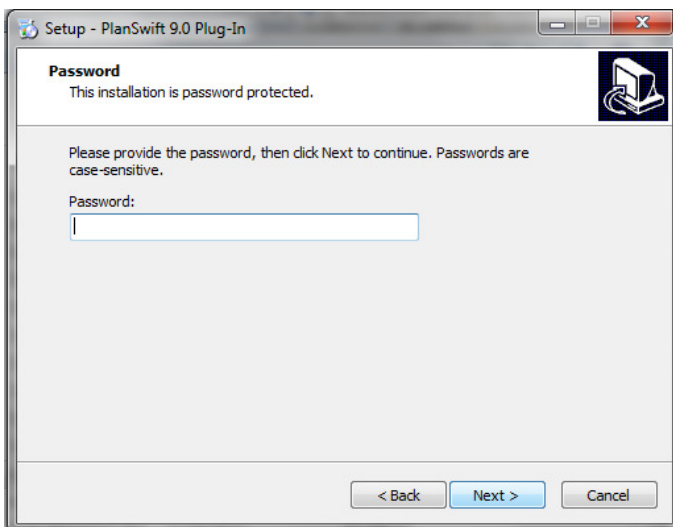

- 1) Go to our web site --> www.tradesoftinc.com
- 2) Click the Support Link at the top of the home page.
- 3) Click the "Click here to logon in" in the top right area of the page under Registered Users.
- 4) To access the Support page, use the logon --> **member** and password --> **ppak**.
- 5) On the Support page, click the PlanSwift Plugin Downloads link at the left, or the PlanSwift 9 Plug-in 1.9 download link at the top right of the page.
- 6) On the PlanSwift Plug-in Downloads page, if you are not sitting on the PlanSwift 9 Plug-in 1.9 download link, click the "PlanSwift 9 Plug-in 1.9" page link to download the PlanSwift 9 Plug-in 1.9 Upgrade.exe file.

*** UPDATING TO PLANSWIFT 9 PLUG-IN 1.9 ***

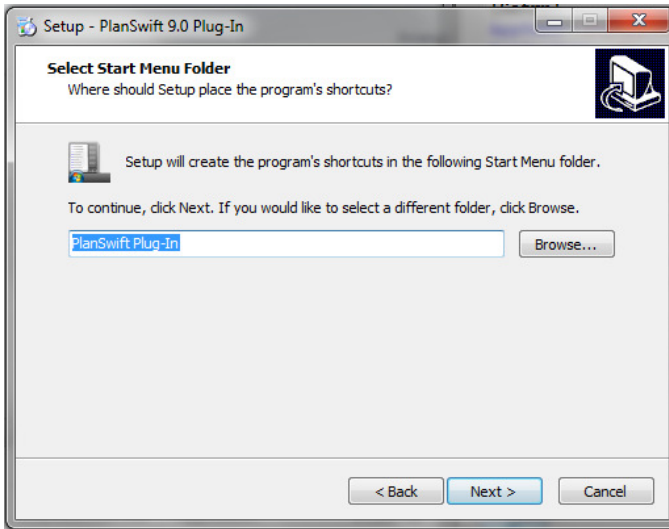

- 1) Download the PlanSwift 9 Plug-in 1.9 Upgrade.exe file to your PC. Choose "Save To Disk."
- 2) Once downloaded, double-click the downloaded file. This starts the installer.

If you are running Windows Vista, Windows 7 or Windows 8, we recommended that you start the installation program by right-clicking on it and choosing the Run As Administrator command.

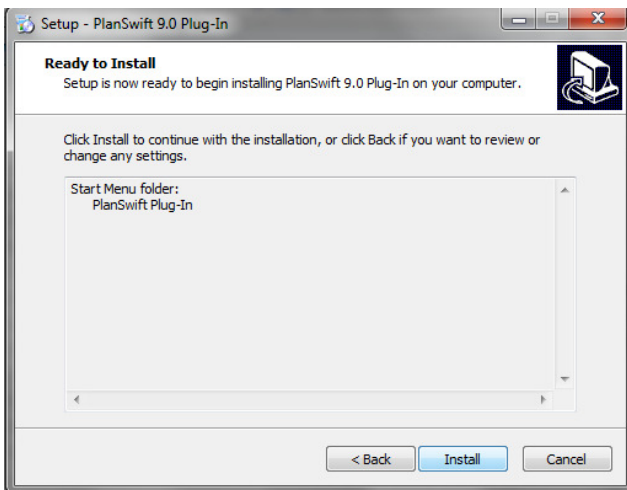

- 3) This update is password protected. Contact support@tradesoftinc.com or 770-579-1922 for password. Enter password in lower case.

- 4) After entering the password, the files will be copied to your PC. It copies them to the default PlanSwift Plugin folder --> C:\Program Files\TradeSoft\PlanSwift9.

Click Next to accept the default Start Menu folder.

- 5) Click Install to start the installation.

Close the Installer window when the installation finishes.

Remember to update every PC that has PlanSwift Plugin.
